

How To Request Library Materials Online

You probably know that you can get materials—books, movies, and CDs—from any library in Park County sent to your branch for free. You can get materials from almost any library in the state for \$2. We're always happy to place these requests for you, but you can also place them for yourself. All you need is your library card and access to the World Wide Web.

Go to <http://wyld.state.wy.us/meet>, and you should get a screen that looks like the one above. Click on “Meeteetse Branch Library catalog.”

Requesting Items From Outside Park County

You can also place requests for items from other libraries in Wyoming. When you search, choose “All WYLD Libraries” from the drop down box. You place the request the same way, except that after you put in your library card number and PIN, you’ll get a screen like this:

This item is not owned by your library. You may place an interlibrary loan (ILL) request.
Your library may charge postage or other fees for this service.

Needby date (optional):	<input type="text"/> <input type="text"/> <input type="text"/>
Max willing to pay (optional):\$	<input type="text"/> . <input type="text"/> 00
Notes to library (optional):	<input type="text"/>
<input type="button" value="Place an Interlibrary Loan (ILL) request"/> <input type="button" value="Quit request"/>	
<input type="button" value="Reset Query Values"/>	

Leave all the fields blank, unless you need the item by a specific date. Interlibrary Loans usually cost \$2, though occasionally the postage will be more than that. If you’re not willing to pay more than a certain amount, enter that. Leave the notes field blank. Click the “Place an Interlibrary Loan (ILL) request” button, and you’re done!

We’ll call you when the item arrives in Meeteetse, and you can return it to us when you’re done and we’ll mail it back.
